Yellowflag Iris

"WEED SPOTTER" INSTRUCTIONS

1. Print single sided color copy onto cardstock
2. Cut down the center
3. Cut out center rectangle
4. Glue a large craft stick (tongue depressor size) onto the bottom.

It should resemble a magnifying glass, so that flowers can be viewed through the center and compared to the pictures.

Orange Hawkweed

Oxeye Daisy

Canada Thistle

Blueweed

Dalmatian Toadflax
